### PRESENTATION OF A FESTIVAL

Folklore Association VAL Piran and Union of Cultural Associations ZKD Karol Pahor Piran organise the MIFF - Mediterranean International Folklore Festival - from the year 2003 on. The purpose of the MIFF Festival is to present to the public the folklore dances, music and singing and the cultural variety of the Mediterranean countries.

Throughout the festival we would like to build the friendship chain between Mediterranean countries. The event takes part on the Slovenian Coast: in the old medieval city of Piran, on the Tartini Square and The 1st May Square or, in case of bad weather, in the Tartini Theatre, in the congress-spa resort Portoroz in Concert Hall "Avditorij", in Koper on the Carpaccio square and in Izola on Manzioli square or on "Lonka". Nowadays the festival MIFF is the second biggest festival in Slovenia. Good organization, strictly respecting performances time, a lot of free time for the beach or cultural sightseeing, interesting excursions and other festival's events are the reason that many participating groups would like to participate again.

### PRESENTATION OF A FESTIVAL

Every September, tradition joins forces with ethnography, culture and entertainment. The central event brings together more than two thousand fans and connoisseurs of group-specific costumes, while the programme also includes an offer of traditional Kamnik dishes.

The Days of National Costumes and Clothing Heritage are considered to be the biggest ethnological festival in Slovenia priding itself on a more than 40-year tradition, with the 47th event taking place this year. The beginnings of the event date back into 1966 when Kamnik citizens organized the Day of National Costumes. In the first year already, a great number of educational societies and individuals, both from Kamnik and its surroundings, attended the event. The event has changed names quite a few times, so in 1986 Kamnik hosted the 16th Days of National Costumes, Folklore and Crafts, which later changed to Days of National Costumes and Clothing Heritage – a name that has been preserved until today, when the event had become widely renowned through its numerous content changes.
